Question 12.

In the twelfth question, respondents were asked about the range their institutions are in terms of total number of agreements signed. They have to choose between six possible answers: “from 1 to 30 agreements”, “from 31 to 50 agreements”, “from 51 to 100 agreements”, “from 101 to 150 agreements”, “from 151 to 299 agreements” and “from 300 to more agreements”.

The 24.3% of the respondents answered that the range of the total number of agreements signed by their institution is between 31 to 50 agreements and 21.6% of them has from 1 to 30 agreements. Likewise, 21.6% has from 151 to 299 agreements and 18.9%, from 101 to 150 agreements. Finally, 10.8% has more than 300 agreements and only 2.7% has from 51 to 100 agreements.
