Question 13.

In the thirteenth question, respondents were asked about the percentage of active agreements in exchange programs. Respondents had to choose between five alternatives: “100%”, “greater than 70%”, “between 59% and 69%”, “greater than 50%” and “less than 50%”.

The percentage of the active agreements in exchange programs (from students and teachers) varies between the universities. The 43.2% knows that they have greater than 70% of active agreements. The 27% have less than 50% of active agreements. There are 16.2% of universities that have between 59% and 69% of active agreements. Only the 8.1% have all the agreements activate. And the 5.4% have greater than 50% and less than 59% of active agreements.
